

DUNEDIN GOLF CLUB 2021 – 2023 STRATEGIC PLAN

January 1, 2021

Club President's Introductory Comments

On behalf of the Strategic Planning Committee and the Board of Directors, I am pleased to present the 2021-2023 Dunedin Golf Club Strategic Plan. The Committee and Board invested their time, experience, and best ideas into this guide for the Club's future success. We owe City Commissioner Jeff Gow, City Manager Jennifer Bramley and City Director of Parks and Recreation Vince Gizzi our thanks for their generous gift of time and insights. As importantly, we owe our members and non-members a hearty thank you for participating in our survey and sharing candid and constructive suggestions and ideas.

I am pleased to say that this Plan was not undertaken by necessity of circumstance or for institutional concerns. The Committee and the Board approached this project with the knowledge that we have an institution which is healthy and well managed. Our surveys testify to our member satisfaction and the value members and non-members have for the Club. This Plan was viewed as an opportunity to build on strength and ensure we take the right steps to create the best future possible.

Most of our strategies and goals are very much in line with the Club's tradition as a golf focused recreational center and that will continue through this Plan. What is different is our laser-focus on improving the golfing experience at the Club and our intention to be a greater supporter of our Community.

We found our process to be thorough and energizing. I hope you experience some of that excitement as you read the contents of our Plan.

Yours sincerely,
Mike Bowman

Mike Bowman
President of the Board

Executive Summary

Over the course of 10 weeks, from August through October 2020, the Dunedin Golf Club Strategic Planning Committee met to chart a new course for the Club that will extend through the end of 2023, at a minimum. Their work and the input of many members and non-members can be found within the pages that follow.

The key ingredient that cannot be fully appreciated with the neatly typed pages is the energy and excitement the Committee shared for our sport and more specifically the Club. Over and over again we were reminded that we are caretakers of a great historical asset which is a source of pride within the community. Collectively, the Committee and staff invested well over 500 hours of volunteer time to develop a roadmap that will guide us through course, facility and infrastructure improvements, along with expanded community engagement.

Our premise is simple. Golfers want a challenging and fun round on a course that is consistently well-maintained . Our Plan addresses that. Inside this document you will find a mission statement, a vision, and guiding values that will inspire our actions for years to come. Also included are seven core strategies with accompanying goals. Those strategic goals, once achieved, will provide for many years of great golf experiences for our members and the community.

DGC STRATEGIC PLAN OBJECTIVES

MISSION & VISION

- Mission: *To provide a challenging and enjoyable golf experience for all within our community.*
- Vision: *We will become a self-sustaining destination providing golf and social opportunities on one of the premiere Donald Ross courses in the country.*

VALUES

- 1. We shall be honest and fair in all dealings with members, guests, staff, and the community*
- 2. We will be inclusive in all our actions and will help all with the desire to participate in the sport*
- 3. We shall conduct ourselves with respect for all as we compete and participate in Club activities*
- 4. We will be transparent in all membership and financial activities*
- 5. We believe that we are about making positive experiences for not only ourselves and our families, but also for others residing in or visiting Dunedin*
- 6. We value and care for our facility and expect our members and guests to do the same*

SITUATION ANALYSIS

During our planning process we conducted a SWOT exercise (Strengths, Weaknesses, Opportunities, Threats). Below are highlights from that exercise.

- Membership is growing
- Finances are better than expected
- The Club has been a refuge during this time of social distancing.
- The condition of the course is not as good as we would like
- Drainage issues are becoming more difficult during rainy weather, high tide
- Participation in the sport of golf is declining, particularly among young adults
- We may not see a return of our seasonal golfers due to the pandemic
- Competition from ever-expanding entertainment and technology diversions
- Dunedin Citizens who do not play golf may not recognize the Club's value to the Community
- Few Dunedin Citizens understand the legacy and history of the Club
- DGC Administration needs additional and updated tools
- Staff retention and compensation need attention

SEVEN KEY STRATEGIES

STRATEGY 1: Improve the Golf Course Experience

STRATEGY 2: Become Self-Sustaining by Growing Membership and Increasing Non-Member Rounds

STRATEGY 3: Enhance Community Relations and Partnerships

STRATEGY 4: Update the Facilities

STRATEGY 5: Increase Our Value Proposition to Dunedin and the Region

STRATEGY 6: Growing the Sport

STRATEGY 7: Become an Employer-of-Choice in the Dunedin Area

STRATEGY 1: IMPROVE THE GOLF COURSE EXPERIENCE

- 1) Develop a plan to address the quality of the greens, fairways, bunkers, etc. Include ongoing management of these refurbished areas.
- 2) Explore and evaluate options for solving the drainage issues, particularly on holes #15, #17, including financial requirements/sources, timing. Build proposal, gain approvals, and execute.
- 3) Improve cart paths by eliminating tree roots and potholes. Cosmetically enhance cart path areas where grass cannot grow.
- 4) Employ technology to monitor golf cart logistics and to keep carts in course-appropriate areas only.
- 5) Formalize a Starter training process and provide each Ranger with our Welcome/Friendly Reminder Script.
- 6) Establish a Greeter Process for the cart staff (Welcome, pin position, ice/water location, starting hole location).
- 7) Improve special events advance notification by communicating a monthly golf tournament/activities calendar, including tournaments, special events, grounds maintenance closures.
- 8) Upgrade the Club website to be more welcoming, course-informative, and with more emphasis on our legacy and golfing tradition.

STRATEGY 2: BECOME SELF-SUSTAINING BY GROWING MEMBERSHIP AND INCREASING NON-MEMBER ROUNDS

- 1) Grow membership to 400 by developing an annual Sales and Marketing Plan addressing key audience groups, pricing structures/discounts, promotional and community opportunities, communications, sales/affinity targets, social media/advertising.
- 2) Designate key staff person responsible for Sales, Marketing, Brand Building.
- 3) Create a Membership Committee.
- 4) Create a member referral program.

STRATEGY 3: ENHANCE COMMUNITY RELATIONS AND PARTNERSHIPS

- 1) Engage the immediate neighborhood and the community at-large by conducting 2 outreach programs per year. Gather neighborhood input, build proposal and execute (e.g.: Family Day, Open House).
- 2) Continue our support for the Dunedin Children's Christmas event.
- 3) Quantify and promote our "contribution" to non-profit fundraising through the golf course and restaurant events.
- 4) Establish a Centennial Committee in mid-2025 to plan and execute a public celebration for the Club's 100th birthday in 2027.

STRATEGY 4: UPDATE THE FACILITIES

- 1) Evaluate low-cost/no-cost options to update facilities (interior, exterior, on-course). Prioritize, build proposal, gain approvals and execute.
- 2) Update department technology platforms where needed.
- 3) Outsource functional processes where appropriate/affordable.
- 4) Hire a staff person responsible for handling day-to-day details in support of clubhouse, restaurant, member needs and communication.

STRATEGY 5: INCREASE OUR VALUE PROPOSITION TO DUNEDIN AND THE REGION

1. Build a stronger partnership with the City

- a. Sponsor a 9-hole tournament with City Manager, Mayor, and Commissioners, with proceeds donated to Youth Golf Programs
- b. Sponsor a “Stirling Day” at DGC by offering a half-day kids Par 3 tournament (summer).
- c. Better engage City elected officials in Club special events/activities.
- d. Participate in the City/DGC Sustainability Review.

2. Members

- a. Create 2 Members-Only special events each year (e.g.: “Golf with Your Pro” days).
- b. Offer Members-Only discounts on Pro Shop Merchandise.
- c. Seek opportunities to bring legendary golfers to the course for member events/activities.
- d. Restore the Members Food and Beverage discount program

3. Guests (Non-Members)

- a. Offer “frequent guest” incentives for golf, food and beverage, and merchandise.
- b. Offer a one-time discount for guests who complete a contact form (for our email list).

STRATEGY 6: GROWING THE SPORT

- 1) Expand summer golf programs for families and young golfers.
- 2) Evaluate opportunity to establish a First Tee program at DGC, bringing golf to all economic groups.
- 3) Establish a Youth Golf Program.

STRATEGY 7: BECOME AN EMPLOYER-OF-CHOICE IN THE DUNEDIN AREA

- 1) Conduct employee satisfaction survey.
- 2) Review compensation and benefits policies.
- 3) Ensure all aspects of our employment and compensation processes are tied to accountability, responsibility and empowerment.
- 4) Ensure that staff are represented in Board meetings and activities.
